

Help for Haiti!

The P.A.I.L. Project

Providing Aid, Impacting Lives

- Fill a 5 gallon pail.
- Include \$10 for shipping.
- Help a family in Haiti.

Pails are available at home improvement stores like Home Depot and Menards for around \$3.00 each with a lid or through Rays of Hope for free when available. Fill a pail with food, personal care or baby items.

Include a personal note, picture of your family, favorite verse or poem.

Food Pail

Rice
Beans
Cooking Oil
Canned Foods

Diapers
Infant Formula
(not expired)
Infant Medications
Children's Vitamins
Small Toys

Rays of Hope for Haiti (a 501c3) has been bringing aid to the poorest of the poor in Haiti for over ten years. The pails will be distributed through our Haitian staff in the Port au Prince to people that have been affected by the devastating earthquake. The buckets are just as valuable as the contents. The families will use them to carry water, wash clothes and even as a chair.
